

Keep Loudoun Beautiful

If we all work together we can make Loudoun beautiful. If we want to make our community beautiful we have to do 3 things

- 1) Preventing litter*
- 2) Reducing waste*
- 3) Beautifying communities*

1) Preventing litter

Every person set an example for others, not littering, and no matter where you are. Always have a litter bag in your car or going to the park or beach.

2) Reducing waste

Buy reusable product, recycle plastic, glass, aluminum, steel, cell phone, electronic, and sneaker products.

3) Beautifying communities

Creating community gardens, build parks, green spaces, and clean up the litters.

Schools may have their own spring clean up campaign. The kids can help to clean the park near by their school. Don't cut the trees. Each family can plant a tree for every year on earth day. If we all work together we can keep Loudoun beautiful, and keep America beautiful.
