

Keep Loudoun Beautiful

We need to clean-up Loudoun because we want our community and neighborhoods looking beautiful. I believe that if we clean-up we can change our community into a better place to live. We can change our neighborhoods into a land of paradise. I also think that people should clean-up Loudoun because I want to enjoy my surroundings. For example, across the street from my house there is a park. I look at that park every single morning. If we did not keep the park clean it would not be a beautiful site to see. One way for you to clean-up Loudoun is to pick up trash and put it in the trash can. Another way is to plant flowers and plants. I'm hoping that everyone does their part to clean up their community and neighborhoods, so we can make our world a beautiful place to live.
