

Keep Loudoun beautiful by picking up
any trash you see. Pick up cans, plastic
bottle and other things. At my house we
plant flowers to make our yard
look beautiful. My brother does the
recycling in the morning. Sometimes when
I see trash and I pick it up.
When I see someone drop paper
I tell them to pick it up.
My mom tells me that I
am very good at cleaning up
Loudoun. I am happy.
